

Lurching Towards the City On the Hill

Another Hunk of
Republican Roquefort
just announced. Tugging old

fears through wall to wall
platitudes at a core rapt
by love unqueer.

The Game of Class

That Senate is one waitin-
around aerial bunch.
While CSPAN plays

something from the
London Symphony
on a terrible day.

House a busy, fractious
bunch of fart-letters.

Even as party line parrots,
they leave some cayenne
in their shorts at least.
